Advocates of Safe Pedicuring Through Education and Support

Consumer Checklist

- The pedicure area, whirlpools, and salon / spa looks clean
- The nail technicians/pedicurists have their licenses displayed
- The pedicurist is a member of the International Pedicure Association
- Your feet are examined and health questions asked before the pedicure
- Instruments look clean and are disinfected
- Items that cannot be disinfected are disposed after the pedicure
- Proper tools are used (most states do not allow a credo blade)
- Drill bits (if used) are disinfected (cleaned)
- Salon / spa has adequate ventilation
- A laundered towel or new disposable towel is used on each client
